Roller blinds – it's what we do. We exclusively supply and manufacture for trade partners. What sets us apart? We're all about focus. Our infrastructure, supply chain, and team are dedicated to the world of 'Roller Blinds.' This commitment allows us to deliver exceptional quality in a more competitive manner, giving your business the edge.

Made to Measure

We work as your manufacturing partner for all roller blinds including rooflight blinds and cassette systems. We can produce manual, battery operated and electrically controlled blinds.

Fabrics Supply

Our small (focused) range of fire retardant roller blind fabrics is well stocked in the UK and will cover 80% of your requirements in a highly efficient and competitive way.

Aluminium Supply

If you are looking for a more efficient supply of aluminium profile, this is your answer. Using our own production as a test bed we are now able to provide manufacturers with a better supply chain solution for common aluminium profiles.

We give your business the edge.

Call: 0333 050 9885 Visit: buroshade.com

Packaged for your on-site efficiency

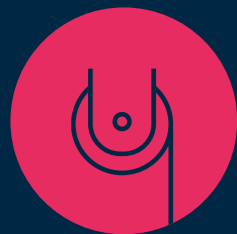

We understand that your time on site is expensive. Have you ever considered the time it takes to sort and layout blinds on site? At Buroshade we offer to package blinds in your preferred order. Boxed by area, floor, room or block. Ready for maximum efficiency on-site.

40mm System

Slightly larger than the 32mm systems, This is manufactured on a 40mm aluminium roller tube enabling larger sizes without compromising on quality.

The 40mm mechanism is a high durability mechanism engineered for longevity.

Standard

Nylon Chain

Optional

Metal Chain
Battery

Warranty

5 year

Max. size

Width 2500mm
Drop 2900mm
Surface 6.5m²

Tube size

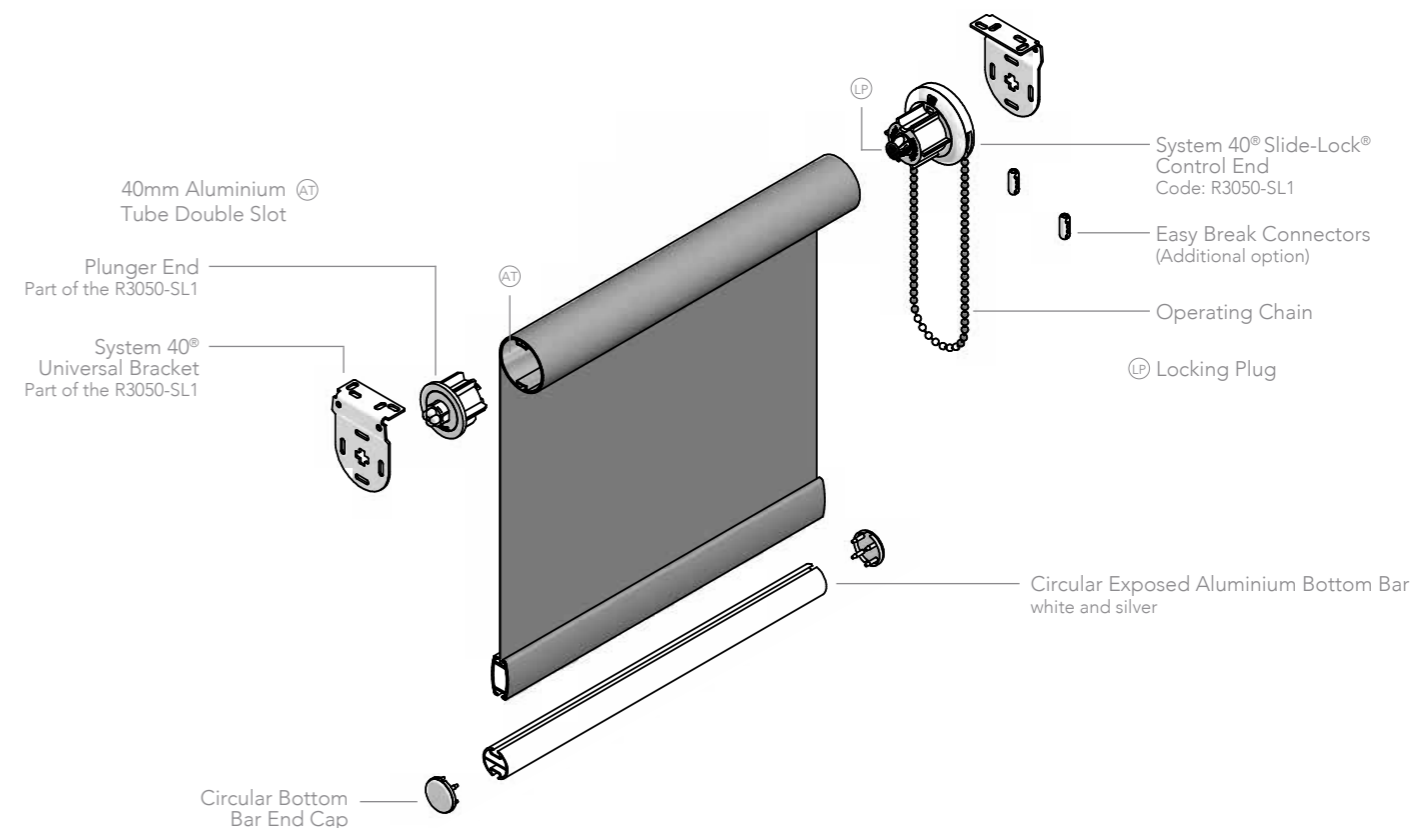

40mm

Fabrics

Artisan
Nightshade
Sombra Eco
Diffusor
Bespoke

Buro R400

The R400 mechanism has a unique wear-resistant steel core instead of the standard plastic core used on most roller blinds. Due to this feature the R400 comes with a 25 year warranty, providing a serious enhancement in quality over the industry standard. The universal brackets incorporate screw cover caps for a clean visual appearance. The mechanism is geared with a ratio of 1:1.5 to give a lighter and smoother operation.

Standard
Nylon Chain

Optional
Metal Chain
Fixed Crank
Detachable Crank
240v Hardwired Wall Switch
240v Remote Control
Battery

Warranty
25 year

Eclipse Fascia System

The Eclipse Fascia system is available on **R400** and **40mm** systems and comes in a choice of black or white.

Eclipse Fascia System £4.66 each
 + £18.63/metre

Eclipse Fascia Specifications

Large Systems

For when you are required to cover a particularly large glazed area. This range of systems are made with larger diameter roller tubes to enable them to span greater sizes without having to split into multiple blinds.

R500	32
R600	36
R700	40

Buro R500

The R500 is the embodiment of style and durability, carrying with it a true reflection of quality and prestige. A precisely engineered orbital gearing system lies at the heart of the manual R500 mechanism. The R500 is extraordinarily quiet and smooth in operation and due to a 61mm aluminium tube can accept the high loads of very wide spans with no complaint.

Standard
Nylon Chain

Optional
Metal Chain
Side Guide Wires

Warranty
5 year

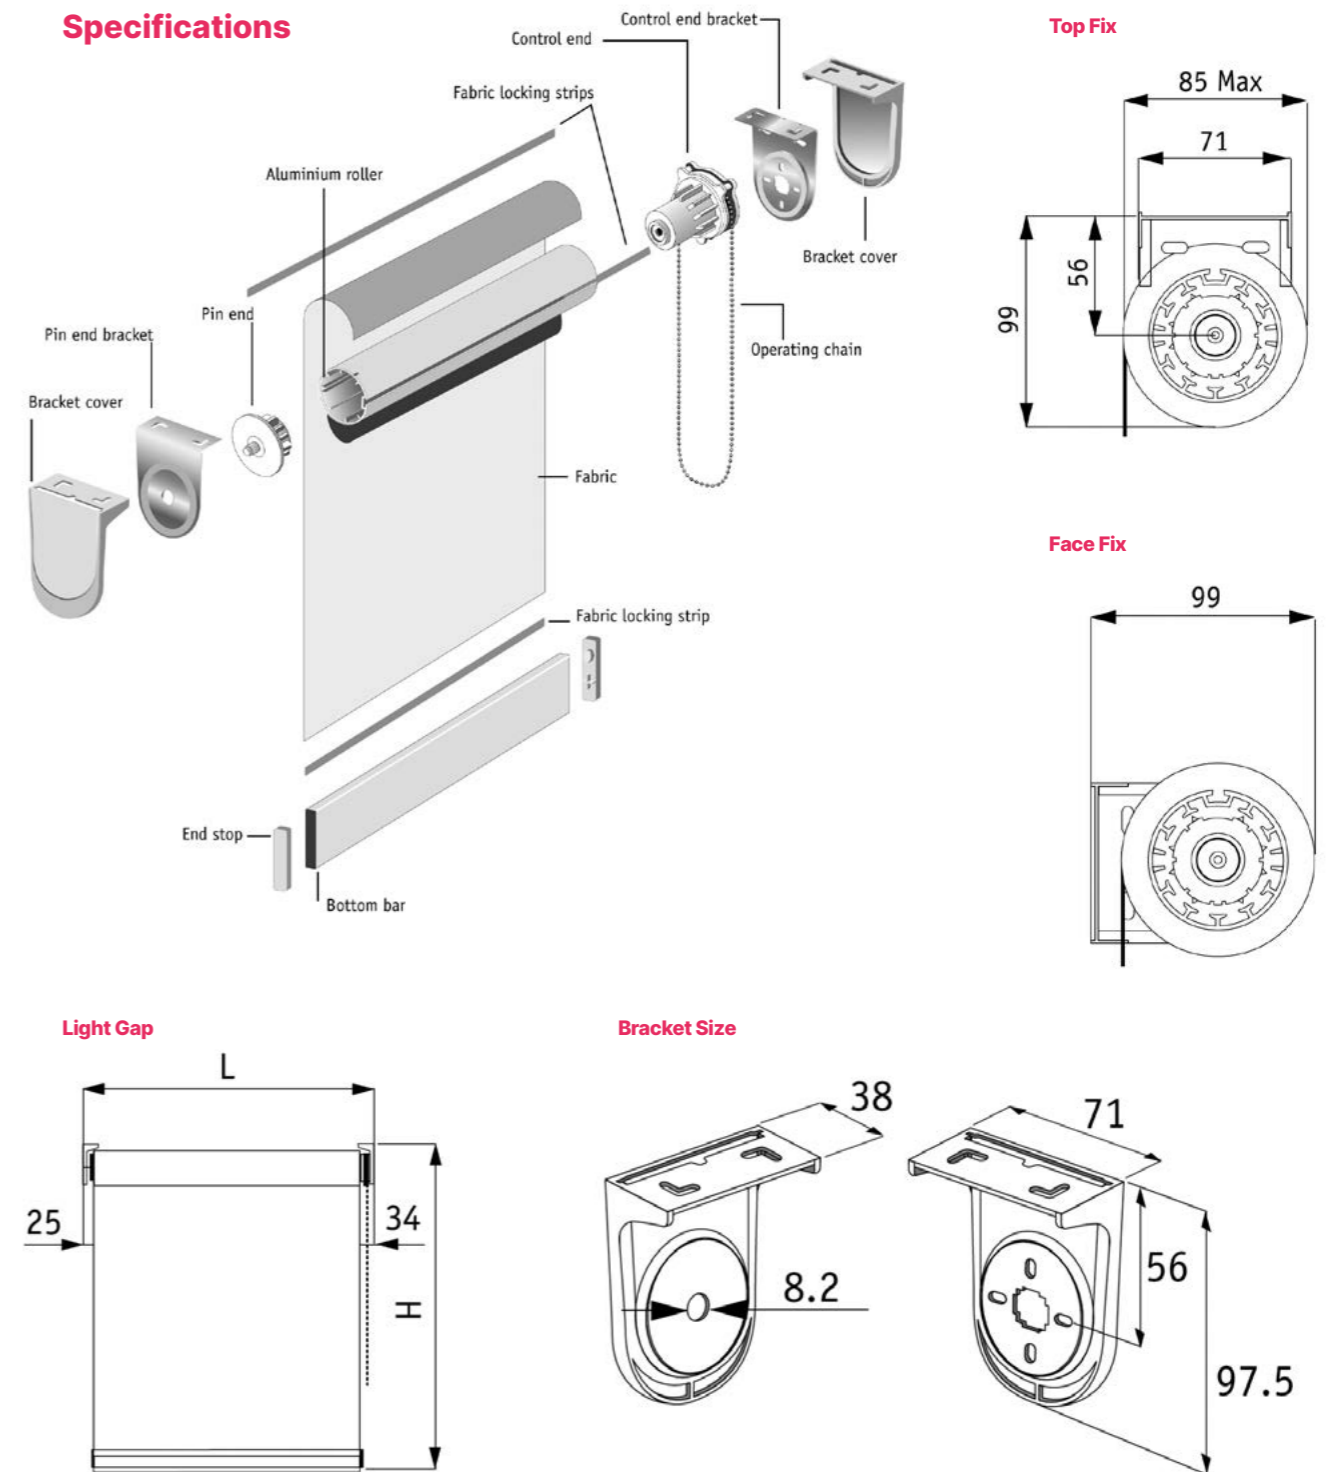

Max. size
Width 4000mm
Drop 4300mm
Surface 16m²

Tube size

Buro R600

The R600 is similar to R500 but with option for crank or electrical operation. A precisely engineered orbital gearing system lies at the heart of the manual R600 mechanism. The R600 is extraordinarily quiet and smooth in operation and due to a 61mm aluminium tube can accept the high loads of very wide spans with no complaint.

Standard

Fixed Crank

Optional

Detachable Crank
240v Hardwired Wall Switch
240v Remote Control
Side Guide Wires

Warranty

5 year

Max. size

Width 4000mm
Drop 4300mm
Surface 16m²

Tube size

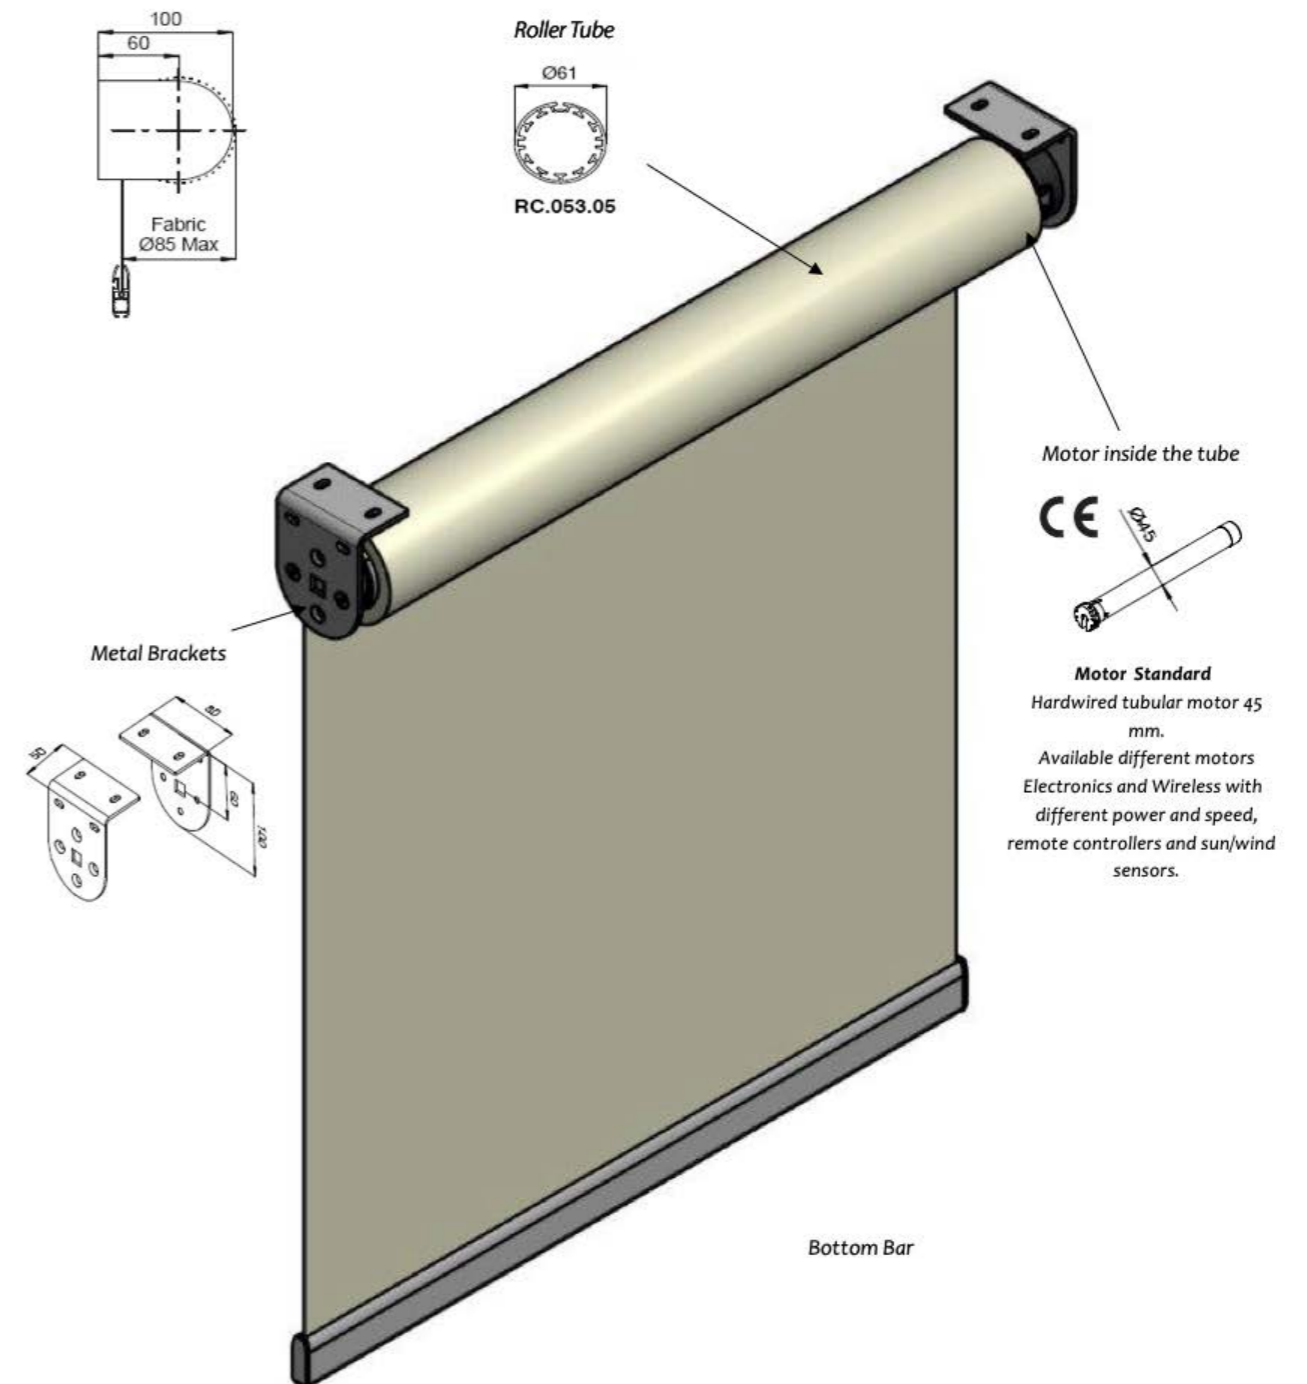

61mm

Fabrics

Cassette Roller Blinds

Cassette Roller Blinds offer a sleek and stylish alternative to simple Roller Blinds and are designed to fit neatly into window recesses and achieve close to complete block out of light. This is due to an aluminium cassette around the roller tube & controls and aluminium side channels to stop the light coming around the sides of the fabric.

Horizontal Rooflight Blinds

Buroshade's Horizontal Rooflight Blinds are based on the easy-access design of our Cassette Roller Blinds. The "CR" systems have a roller at each end of the opening – one holding the fabric and the other acting as the tension mechanism. The "TR" systems are more advanced: these hold the fabric and tensioning mechanism at one end of the opening in a single mechanism. Perfect for large architectural glazed roof areas.

CRX	60
CR83	64
CR110	68
TR85	72

CRX

The CRX System is a baseline product and is not supplied with a Cassette or side channels. This is a perfect product for smaller rooflight applications.

TR85

TR85 System is a heavy duty tension roller for large horizontal rooflight or bottom-up applications. Due to the 85mm steel roller tube and hi-tension capability, this product can deliver an un-matched smooth finish over large horizontal openings. All tension is created by the unique single tension mechanism so the blind only requires a barrel at one end of the opening, this reduces visible hardware to preserve a clean overall finish.

Standard

240v Hardwired Wall Switch
Side Guide Wires

Optional

240v Remote Control

Warranty

5 year

Max. size

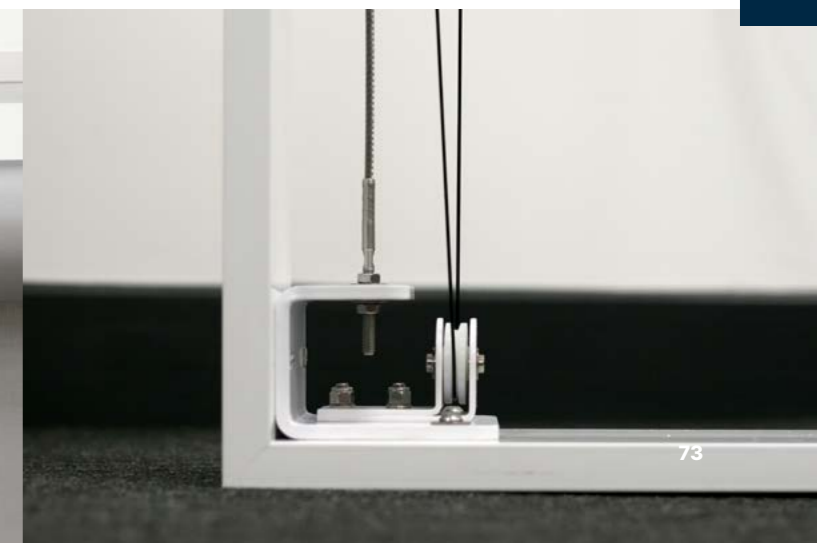

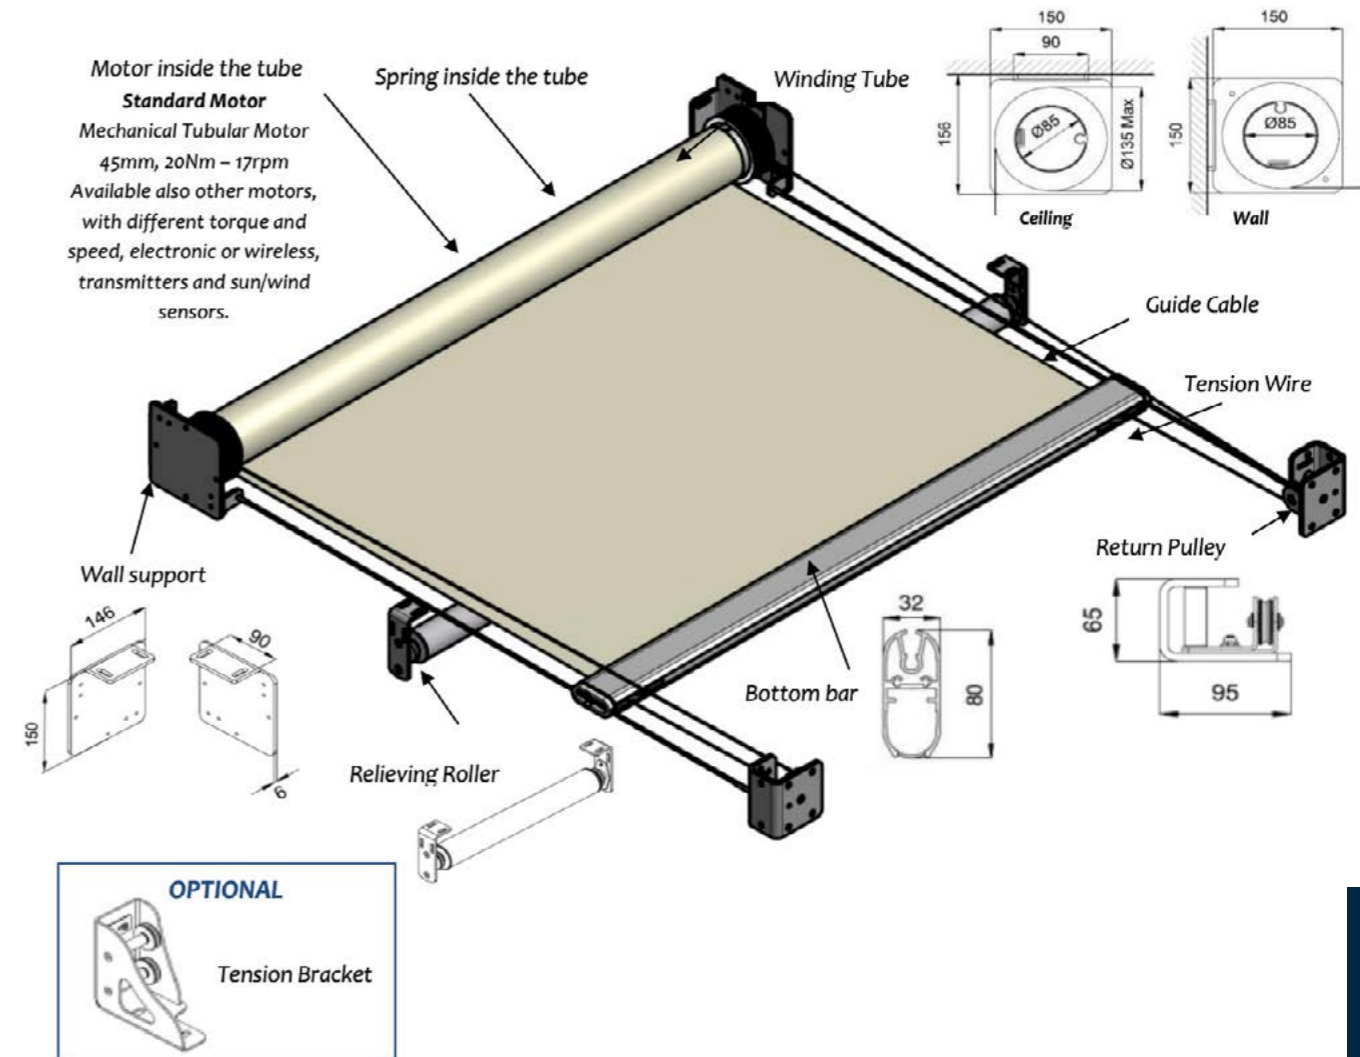

Width 4000mm
Length 6000mm
Surface 16m²
Max. Lift Weight 28kg

Fabrics

Sombra Tensile
Diffusor
Bespoke

Nightshade

Our Nightshade fabrics offer the same touch and durable fire retardant (FR) performance as the standard Artisan range, but with a smooth PVC blackout coating on the reverse side. This produces a luxurious soft finish at the same time as full black-out performance.

Diffusor

Our Diffusor range is a more technical screen fabric designed to provide shading and privacy, without losing the benefit of natural light. Made from thin lightweight yarns, woven into a full basket weave, Diffusor will reduce solar glare without fully blocking light. Diffusor comes in a range of neutral colours, with openness factors ranging from 1% to 5%.

Function

Screen (Glare, heat gain & UV control). Bacteriostatic and fungal resistance.

Wholesale

Buroshade wholesale solution provides you with a halfway house between importing directly from a mill and buying from a regular UK wholesaler. In line with our drive to focus, we offer a small tried and tested range of common fabrics and common profiles that are well stocked in the UK and supplied in manageable MoQ's.

Aluminium Supply

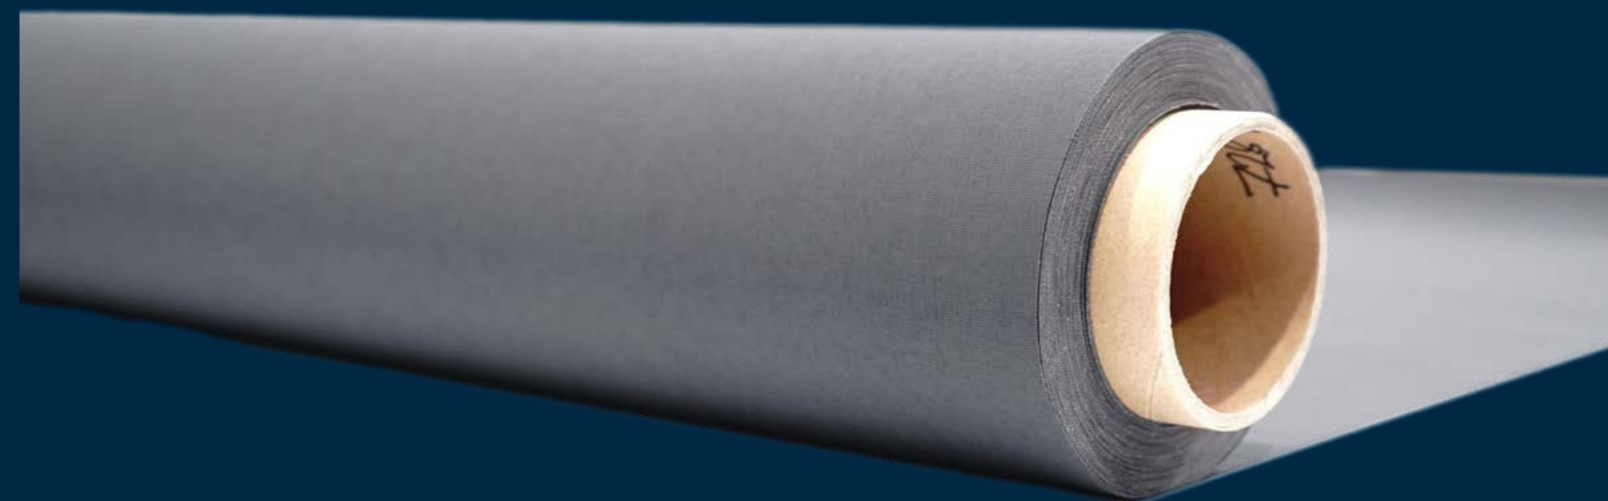

If you are looking for a more efficient supply of aluminium profile, this is your answer. Using our own production as a test bed we are now able to provide manufacturers with a better supply chain solution for common aluminium profiles.

Fabrics Supply

Our small (focused) range of fire retardant roller blind fabrics is well stocked in the UK and will cover 80% of your requirements in a highly efficient and competitive way.
