The performance details of our fabrics are based on a calculated estimate derived from a specific set of circumstances. This is provided to act as a guide only, actual results may vary significantly depending on the unique conditions of the installation environment, including factors such as the glazing, lighting, temperature, location, and usage patterns. We recommend considering a physical working sample when evaluating performance. We reserve the right to change product details without notice and cannot be held liable for any decisions made based on this performance information.
